

1950-79 Beetle / Ghia Steering Rack Conversion Assembly Kit Installation Guide

Guide | 30 Mar 2026 | Limebug Guide

1950-79 Beetle / Ghia Steering Rack Conversion Assembly Kit

This premium quality bolt-on steering rack kit replaces the original VW Steering Box, Pitman Arm & Tie Rod Assembly on Beetle, Karmann Ghia, Baja/Buggy builds and also 356 replica kits that retain the stock fuel tank in the factory position

Enjoy the smooth feel, accuracy, and dependability of modern steering in your Beetle or buggy. No more guesswork—upgrade for greater comfort, control, and safety behind the wheel.
