

Limebug HQ: 2023 Shop Tour

Guide | 25 Sep 2023 | Limebug Guide

Limebug HQ – A Guided Tour of Aircooled Heaven

The Shop:

Filled to the brim with Aircooled goodness; featuring some of our classic builds and ongoing projects. Catch all of our manufactured parts displayed across the back walls...

The Workshop:

All lot of our parts are designed and manufactured in house.. From CNC Mills to Robot Welders and Lathes, each step of our manufacturing process can be completed at Limebug HQ.

The Stock Room:

In addition to manufacturing our own parts, we also stock products from international manufacturers, such as Viair, MST and 123Distributors..
